

OUR MISSION

Tooth decay is a condition that often leaves children in pain, unable to eat, speak, and are more likely to be truant. To help combat high prevalence of tooth decay, Planet Smilez, strives to empower children to take control of their overall health through the use of a toothbrush.

With your assistance, your gift will make sure that every child receives the knowledge on proper oral health education and the essential oral hygiene instruments.

HOW YOU CAN HELP

Contributions to Planet Smilez are used to run international oral health education projects and for purchasing oral hygiene supplies.

Planet Smilez is an Internal Revenue Service (IRS) recognized 501(c)3 tax exempt non-profit organization.

Planet Smilez donations can be made directly:

Via **PayPal** account by visiting our website www.planetsmilez.org

Via **Mail**: please send tax deductible donations to:

*Planet Smilez
493 Ford Hill Road
Hunter, NY 12442*

\$50 Donation

For your charitable \$50 donation, a Planet Smilez oral hygiene gift bag will be sent to you in order to keep your pearly whites sparkling.

\$100 Donation

Help share the care and get a Planet Smilez teddy bear- a reminder of how you are helping us spread oral health education around the world!

\$500 Donation

To say thank you for your charitable \$500 donation, a Planet Smilez mission trip will be sponsored in your name.

Planet Smilez traveled to Point Fortin, Trinidad and Tobago thanks to the charitable donation of Mr. Jon Harris
